Please consider sponsoring Thunder Bay's 25th annual Ronald McDonald House Charity Golf Tournament.

Help us continue to support Ronald McDonald House for those families in need.

Every year, thousands of families from across the province, the country and the world need to travel to children's hospitals seeking life-saving treatment for their seriously ill children. Thankfully, when they arrive during a very stressful time in their lives, Ronald McDonald House is there for them - something we know of first-hand. Last year alone these Houses provided thousands of nights of comfort to families from Thunder Bay and our surrounding communities, ensuring a safe and friendly environment, specialized programs, and a community of support for the entire family.

Because of you and other caring sponsors like you, seriously ill children and their families will continue to have a "home away from home". Your continued support will give hope, strength and peace of mind to the children and families who stay at Ronald McDonald House. Funds raised at our Thunder Bay tournament directly support Ronald McDonald House Charities® Toronto and Ronald McDonald House Charities® Southwestern Ontario, houses that at any given time see families from Northwestern Ontario account for approximately 30% of their occupancy.

Thank you again for your consideration.

Sincerely,

Alex and Cindy Cryderman
